

THE PROJECT

The RESUME project aims at enhancing and reinforcing the role and potential of HEIs in the development of employability in the Mediterranean countries by adopting a transversal entrepreneurial mind-set at the HEIs and by reinforcing the dialogue among the universities, the enterprises and the policy makers.

OBJECTIVES

- Enhancing the interaction between HEIs, companies and local, national and regional authorities leading to an open and continuous dialogue on employability and entrepreneurship.
- Improving the quality of higher education and professional guidance and increasing the relevance of education to the labor market.
- Identifying, sharing and implementing best practices on promoting entrepreneurship within HEIs, on the relationship among HEIs- political authorities- companies, and on promoting entrepreneurship as a tool to improve employability in the region.
- Paying particular attention to the impact of best practices and policies on the employability of vulnerable groups, especially young women.
- Creating a permanent dynamic entrepreneurial mind-set at HEIs through staff capacity building.
