

**On the 29<sup>th</sup> of November** 2017, Erasmus + (HERE) higher-education reform experts organised a workshop on “**Design of programmes for employability**” in cooperation with the Ministry of Education and Higher Education in Lebanon.

This event was organised in cooperation with the Ministry of Education and Higher Education, within the framework of a series of Erasmus + events contributing to the reform of higher education at the national level.

It was a good opportunity to reflect upon the challenge of employability and exchange ideas and experiences thanks to the lessons learnt and the sharing of good practices.

**RESUME was presented by the local coordinator of the project at the Lebanese University, Véronique Kazpard, lecturer and Geosciences Programme Coordinator at the Faculty of Sciences and member of the International Relations Committee of the Lebanese University.**

Please download the **meeting programme here** as well as the **RESUME presentation**; you can also find the other presentations [here](#).
